Abracadabra!

Genie in a Bottle is a hair growth potion that was created to help thinning, falling, breaking or balding hair. It restores your hairline, while strengthening and lengthening your hair. The more often you use it, the better the result. It will only work if you have roots, baby hairs or follicles.

Pearly shampoo

Biosense Gold Shampoo was created with an extra pearly texture and is SLES free, as well as enriched with special actives. It has a slightly acid pH, which helps to close the hair cuticle for long lasting shining colour and protection. The shampoo has a high conditioning power thanks to the addition of guar gum and polyquaternium 10.
