Good day

To whom it may concern:

This is a letter of recommendation to certify that Genie in a nutshell is a stockist of SlimUnut also Genie in a Bottle hair growth tonic and many other products. Genie in a nutshell has been stockist for our Pharmacy since July 2018 to current.

We confirm that we are really happy with the services Genevieve Nel she provides us with.

Gen not only stocks Park Pharmacy with great products, that really seem to be working as our clients ask for it by name, she also trained all our staff in how to use the products correctly.

Genevieve has personally lost 37 kg on the product she stocks (provides us with before and after pictures on all products for our store)

Gen really goes the extra mile to help our clients and walk the road with them through the process of using her product range Gen provides a personal consultation with each new client either in person in her shop or via WhatsApp or will train your staff to do this themselves to help each client along their Road to success.

Genevieve also pays our staff a small commission for any products sold included in the package's she provides us with.

Please do not hesitate to call us should you require any further information Tinashe Evans is the main person Genevieve deals with.

Kind regards,

Patrick Mamvura
